READ THIS BEFORE ORDERING

I exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock, when received, return it and your money will be refunded including any transportation charges you have paid. I want only satisfied customers.

TERMS—Net cash before shipment; 25 per cent deposit will hold winter orders until March 1st. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality.

DISCOUNTS

For price of 10 bulbs divide 100 price by 9. 25 bulbs sold at 100 rate, 250 or more bulbs of one kind and size sold at 1000 rate. For 1000 rate multiply 100 price by 9.

5,000 bulbs one variety or 10,000 bulbs assorted varieties 10% discount.

5,000 bulbets or 5 quarts of bulbets one variety 10% discount.

10,000 bulbets or 10 quarts of bulbets assorted varieties 10% discount.

Bulbs and bulbets cannot be combined for discount.

250 bulbets at 1000 rate. Bulbets \$5.00 or more per 1000, 100 at 1000 rate.

This is the only price list I issue. It is mailed to reach my customers January 1st of each year. There are no more favorable terms, prices or discounts than here outlined.

SHIPMENT—All stock in this list will be sent prepaid anywhere in the world that the Parcel Post goes.

Eastern orders will be sent as soon as danger of frost is past. Local and Pacific Coast orders can be sent at any time. Safe delivery to your Postoffice guaranteed.

Large bulbs are often unsatisfactory for the purpose of increasing your stock. Buy young vigorous stock for this purpose. Bulbs in this list are priced to give you a growing profit of 500 to 1,000 per cent. Bulbets properly cared for will often greatly exceed this.

Watch the advertisement in The Flower Grower for special bargains.

All stock offered, and orders accepted, subject to prior sale.
